Meeting Minutes: 27th April 2026

Present : Barry Aylett-Warner; Darrell Fisher;
Jason Mead; Alex Miller; Chris Brearley

Apologies : Grayson Fisher; Jamie New; Nigel Lywood

1. Finances & projected costs

Sec presented detailed financial statement for the close of 2025/26 season. (**Appx 2**)
With the increase in hire charges and the reduction of subs to £2, the end of season balance has dropped to £208.

The following proposals were made:-

- Finals to be held on a Friday rather than Saturday
- Drop the food subsidy for Finals Night
- Increase subs + comp fees to £3
- Captains to poll team members for possible sponsorship

Based on the finance model projection, a final balance of around £910 is predicted. (**Appx 3**).

2. Member Feedback Forms

2.1 Provision of a wooden spoon award

Committee views this as a negative so declines it.

2.2 Six A Side seeding not perceived as random

Whilst we accept it as entirely random, for transparency, will do a manual draw next season.

At AGM, propose a 4 A Side competition to replace the current 6 A Side. DF has a spare shield which could be re-purposed.

2.3 Number of absent players

It was agreed to ensure that every captain has a copy of the current rules (pdf) on their phone to show to members as required.

2.4 Quality of calling

For league games, captains to encourage all members to participate and advise on optimum positioning when calling.

For competition heats and finals, a rota of preferred callers to be created.

It was noted that a specific request had been received to bar John Moscrop from calling in competition heats.

2.5 Finals Night – Singles Finals to be at the end

Agreed to trial it – refer at AGM

2.6 Competition replacements –

Discuss and agree a process at AGM

2.7 Configure both Ladies Competitions on same night

Agreed – and look to minimise number of hires

2.8 Lack of team photos on web site

Captains to encourage team photos.

3. Throw refurb

The backdrop has started to split and needs to be re-enforced with strong tape in the short term. Possible replacement next year when funds have increased.

Some bolts need replacing.

4.AOB

A team rota to be created for manning the laptop during competitions/Finals

There being no further business, the meeting closed at 9:55pm
Next Meeting: TBC
